Rustic

PIZZA & EATS

IN 1955 Gabe Centi took over the Crystal Bar in Amsterdam, NY, from his father, Anthony Centi. Known for Italian food, Gabe expanded into "Iavern style" pizza with crispy cheese edges and hearty toppings, which became a local favorite and was later recognized as the Best Pizza in the great Northeast.

Decades later, his nephew Brian Brumley was inspired to bring back the family recipe. Brumley, who founded Spring Street Deli in the 90's and then later bringing back Tinney's Tavern in Greenfield, worked to duplicate the famous Crystal Bar pizza with his late cousin Tony Centi.

At Rustic Pizza and Eats, Brumley has crafted a menu that celebrates tradition and variety. Guests can enjoy the famous Crystal Bar tavern style alongside Detroit deep dish and classic NY style thin crust. Daily fresh baked bread also make their sandwiches a must try.
